Dear Prospective Member:

Thank you for your interest in Central Virginia Technical Large Animal Rescue. Our mission is to perform technical rescue of large animals using highly trained personnel and specialized equipment. We are proud to say we are a multi-jurisdictional collaboration utilizing the latest in large animal rescue skills and equipment.

If you are interested in becoming a part of this exciting team, we ask that you fill out the attached application, return it to the address listed above, and one of our team members will be in touch with you.

We have listed below the training that will be required for participation.

Membership Requirements:

1. Go to <https://training.fema.gov>, obtain a FEMA Student ID, and take the following courses online:
ICS 100, ICS 200, ICS 700, ICS 800. Once completed provide copies to our Training Officers.
2. Register and take a TLAR training class offered at various times throughout the year.
3. Participate in training opportunities offered throughout the year by Central Virginia Technical Large Animal Rescue.
4. Attend monthly/quarterly meetings.

Once again, we thank you for your interest and look forward to receiving your application. In the meantime, if you have any further questions, or would like additional information, please feel free to contact us by email at info@centralvatlar.org or our CVTLAR representative, Allison Vornkahl at 860-921-6174.
